Disclaimer

The inclusion of a company's details in this Guidance Note is a factual statement that we believe the company carries out the type(s) of work specified. It does not indicate any recommendation or endorsement of any of the companies listed or of the quality of their work by either the Central Council or the Bell Restoration Committee. It is the responsibility of those placing orders for work to satisfy themselves as to the suitability of any company being considered to carry out that work.

This and other guidance notes produced by the Bell Restoration Committee may be downloaded free of charge from the Bell Restoration Committee section of the Central Council of Church Bell Ringers web site: www.cccbr.org.uk/bellrestoration. Please check the web site to ensure you have the latest issue.
