MEMBER CONTACT INFORMATION

Please use this form to provide or update your contact information for use by the Central Council (CCCBR) officers and other members concerned in running the CCCBR. In compliance with the Data Protection Act 1998 your information will not be passed to anyone else without your permission.

The CCCBR website has a list of CCCBR members (www.cccbr.org.uk/members/list/) and we would like your permission to show your name and, if possible, your email address. Almost all CCCBR members permit their names to be shown and your name is probably already listed on your society's own website. Email is the most convenient way for anyone visiting the website to contact you and your email address is held on the website in a way that it is not readily harvestable by email spammers. Other contact information can also be shown if you wish.

Please provide the following information so that we can contact you. Please tick your name and those items that can be shown on the website.
