# MOTION TO UPDATE THE TERMS OF REFERENCE OF THE METHODS COMMITTEE

## 1.0 WORDING OF THE MOTION

*That Rule 16(iv) (Terms of Reference of the Methods Committee) be extended as follows:*

“To provide and maintain the Council's definitions and requirements for change ringing, including methods, calls, and performances, and to consider and advise on all questions arising from their interpretation; to compile and maintain a library of all named methods, with classification, appropriate references, and to maintain a record of historic method names; to commission tools and publications that aid in the understanding and analysis of methods; to arbitrate on any conflicts that occur in method naming, and to request alternative names for methods that may be considered inappropriate; to facilitate the creation and maintenance of standards for the electronic interchange of methods; to promote an interest in technical and theoretical aspects of ringing to ringers at large.”
