

# Bastow Little Bob Minimus

*A very simple method which  
could have several uses*

To allow the treble to practice  
going into and out of the lead  
to work on accurate striking

As an introduction to method  
ringing

It is simple and short and may  
be easier to ring than longer  
methods

If 5 and 6 ring behind a very  
inexperienced ringer can ring  
the 6<sup>th</sup>
