

## FOUR SHIRES GUILD (founded 1909)

### Version A

Example held in Guild archives

### Version B

Oval, brass with black enamel border and dark green inner enamel centre Length 28mm

Brooch fastening with plain reverse No manufacturer shown

'Badges: It was reported that, despite a written order stating precise quantities and delivery arrangements, 111 badges had been supplied and invoiced. It was agreed to make every effort to pay the account in full after clearance of credit for chromium plated finish which, after previous consultation with Committee members, it was decided was not required.'

*Minutes of Guild Committee Minutes held on 24th August 1976*

### Version C (produced 1986)

Oval, brass with black enamel border and light green inner enamel centre Length 28mm
