1. Previous meeting notes. The notes of the Executive meeting, held on 28th July 2024, were approved.
2. The main business of the meeting was to review the arrangements for the Annual Council Meeting (ACM) in Exeter on 7th September 2024. These appear to be in order. It was noted that the Touring Tower mobile belfry would not be available for the AGM.
3. The Independent Examiners report has not yet been received, but it is understood that it will be available before the ACM
4. The President presented progress on Ringing 2030 and the 3 Pillars. This information will be included in the presentation to the open meeting to be held on 1st September 2024.

This meeting was followed by a joint meeting of the Executive and the Workgroup leads.

The next meeting of the Executive will be on a date to be agreed in September..
