# COMMUNITY

## BELLRINGERS

What makes them a successful community of ringers? Individually recognised, individually respected, individual equal social status. Successful social interactions above and beyond ringing

## INTERACTORS

Those closest to the Ringers. Church Priests, Church wardens, Congregations, Residents living closest to the Church

## KEY GROUPS

Groups and organisations within the community :  
Schools, Scouts, Guides, Cubs, Brownies, Cricket, Football, Short Mat Bowls, Inns, Pubs, Shops, Mothers' Union.

## LOCAL COMMUNITY

Identifying just what and how far the extent of the Local community exists.

## WIDER COMMUNITY

Outer circle of wider area that can be considered as a district.

# COMMUNICATION

## WITHIN THE RINGING TEAM

Everyone knowing what's happening – Whatsapp, email and phone contacts, tower notices.

## INTERACTORS

Knowledge of events, liaison personally, accessibility to decision-making

## LOCAL COMMUNITY

Contact with key events, local newsletters, local charity events. Promoting activity within the community

## WIDER COMMUNITY

Knowledge of wider community and how to access it - local media, TV, radio, newspaper.

# CONNECTION

## OUTWARD

Become outward looking, not inward within only the Ringing Chamber

## POSITIVE

Recognised as a positive asset to the community, which they would not wish to lose but to maintain.

## ACTIVE

Being active within the community; players within the community

## PERMANENT

Actions taken are not one-off; connections maintained weekly/monthly

# SOLUTIONS? DISCUSSION?

Each Group of Bellringers is  
different

What are your needs?

What are your solutions?
