Every ringer who can ring a bell independently is invited to take part in the Ringing Census, whatever their age, experience or location.

Whether you ring regularly, from time to time, or are still relatively new to ringing, your response will help. Taking part is voluntary, and you don't need to belong to an Association or Guild.

If you ring at more than one tower, please follow the guidance in the questionnaire. If you're not sure what to do, speak to your Tower Captain or contact the Census team.

Census Week runs from 16 to 22 November 2026. The Individual Census questionnaire will be open from 23 November to 6 December, when you can share information about your ringing during the week.
